

Company / Club Registrations

Registering as a group enables the **invoice to be made out to a legal entity (association or business) for all or part of the cost of registration and options.**

This may be important in the context of a club or company outing. For example, a company may choose to take on board the cost of its employees' registration, while having them settle their own day passes or additional options.

To create a group, the leader must contact the event organiser by email: contact@triathlondeauville.com

TO CREATE A GROUP:

PRECISION N°1:

It is mandatory that all the registrations of your licensees, carried out on the group, are paid by the club. An invoice will be sent to you.

PRECISION N°2:

As soon as your group is created, you must inform us of the number of bibs you want for each race. These bibs will be reserved for you for a period of 30 days. Once this period has elapsed, if all the bibs have not been taken, they will be released.

PRECISION N°3:

The selling price of each registration will be the one in force at the time of registration. Indeed, we have 3 different prices - depending on the date of registration but also on a quota of bibs available per price - for all the events (except the Children's events).

It will be possible for you to consult the rates on our website: <https://triathlondeauville.com/>

PRECISION N°4:

As soon as the 30 days deadline will have elapsed, we will send to the clubs the invoice with all the registrations made on their group - also joining the triathletes' list.

PRECISION N°5:

The changes of events will remain possible (subject to available bibs), we will then send an invoice or a credit note after the event to the clubs concerned.

PRECISION N°6:

As indicated in our rules and general conditions of sale, cancellations will not be possible.
