

How to give/transfer my bib to a third party?

It is possible to give or transfer your bib to a third party. To do this, you must click on the link in the registration confirmation you received by email, entitled: « **Your registration for the Triathlon International de Deauville** ». The procedure is free of charge.

Important: once the recipient has accepted the invitation, it will not be possible to retract.

No refund may be claimed from the event organiser: IT SIMPLY TRANSFERS REGISTRATION to someone you know.

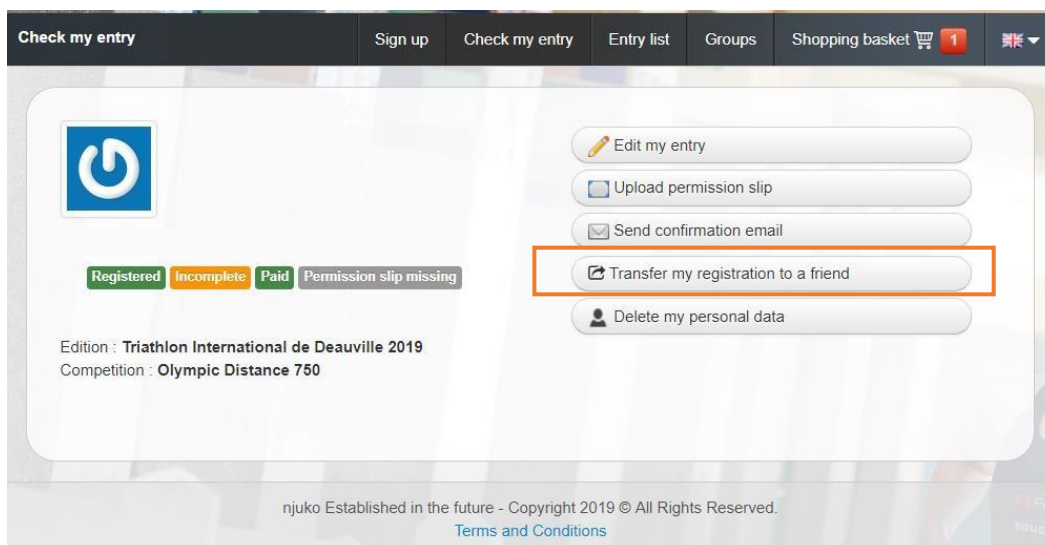

In your confirmation email, you will find this text:

HOW CAN I CHANGE MY REGISTRATION ?

In order to change your registration, please use the following links (access to your personal area, change personal information, upload requested documents, transfer your registration):

You will then access the following page :

You will then access the following page: Click on: **Transfer my registration**

You then just enter your replacement's email address:

Transfer my registration to a friend

Transfer my registration to the following email address:

email@domain.com

You can transfer your registration to a friend. We will send an email with a unique secured link to the above email address. **Your registration will be cancelled** when your friend has registered. This substitution is firm and definitive.

At the time of transfer, if you are part of a team, your entry will be removed from the team, your captain status will be deleted and your position will be deleted.

I understand the registration substitution policy (see above)

Transfer registration

Your replacement will receive an email with a link to register for the race.
